

LEGO MINIFIGURE LOGIC PUZZLE BUILDER

Mr. Merrick · October 4, 2025

One-Circle Puzzle: Draw face and features on the lego men and create a puzzle where a single hidden rule determines which LEGO minifigures belong *inside* the dashed circle. Keep your rule hidden on a separate page for reference.

Two-Circle Puzzle: Draw faces and features on these figure to create a puzzle with *two different rules*. Each dashed circle represents one rule. Keep your rules hidden on a separate page for reference.
